WHISKEY JOHNNY AND REUBEN RANZO

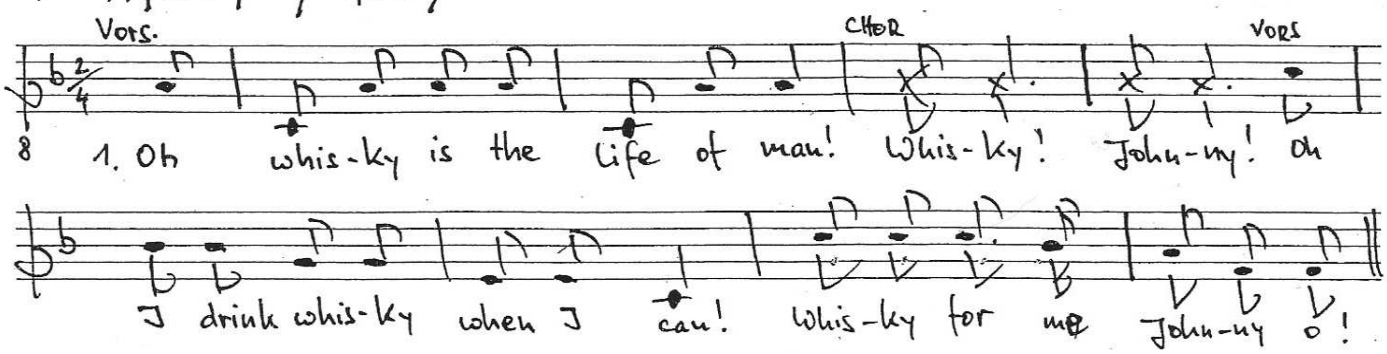
1. Oh whisky is the life of man,
Chorus: Whisky, Johnny!
Oh I drink whisky when I can
Chorus: Whisky for me Johnny-o!

2. If the river was whisky and I was a dog
Chorus: Whisky, Johnny!
I'd jump into and never come up.

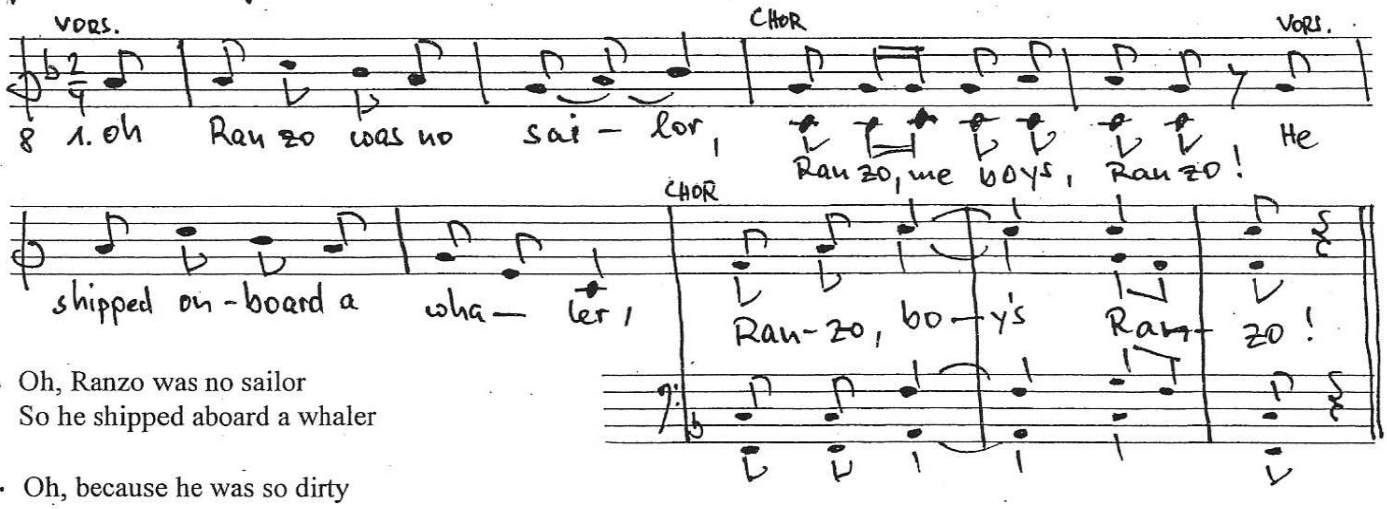
3. Whiskey killed my poor old dad.
Whiskey, Johnny!
And whiskey drove my mother mad.

4. A glass of grog for every man,
Whiskey, Johnny!
And a bottle full for the chanteyman

WHISKEY JOHNNY



REUBEN RANZO



1. Oh, Ranzo was no sailor
So he shipped aboard a whaler

2. Oh, because he was so dirty
He give him five and thirty

3. Oh, the skipper's daughter Suzy
Well, she begged her dad for mercy

4. Now he's known wherever them whale-fish blow
As the hardest master on the go
